

Hitty's Sunbonnet Pattern

This free pattern makes small and large size sunbonnets for a 6¼" tall Hitty doll. Use cotton fabrics for the sunbonnet and fusible interfacing for the brim facing. Cut two 4.5" long pieces of 4mm wide ribbon for ties.

You may use the pattern to create doll clothes for personal use or for sale, as long as you credit the pattern to *A Tale of Two Hittys*. The pattern itself is not for resale.
