

FLAT HITTYY

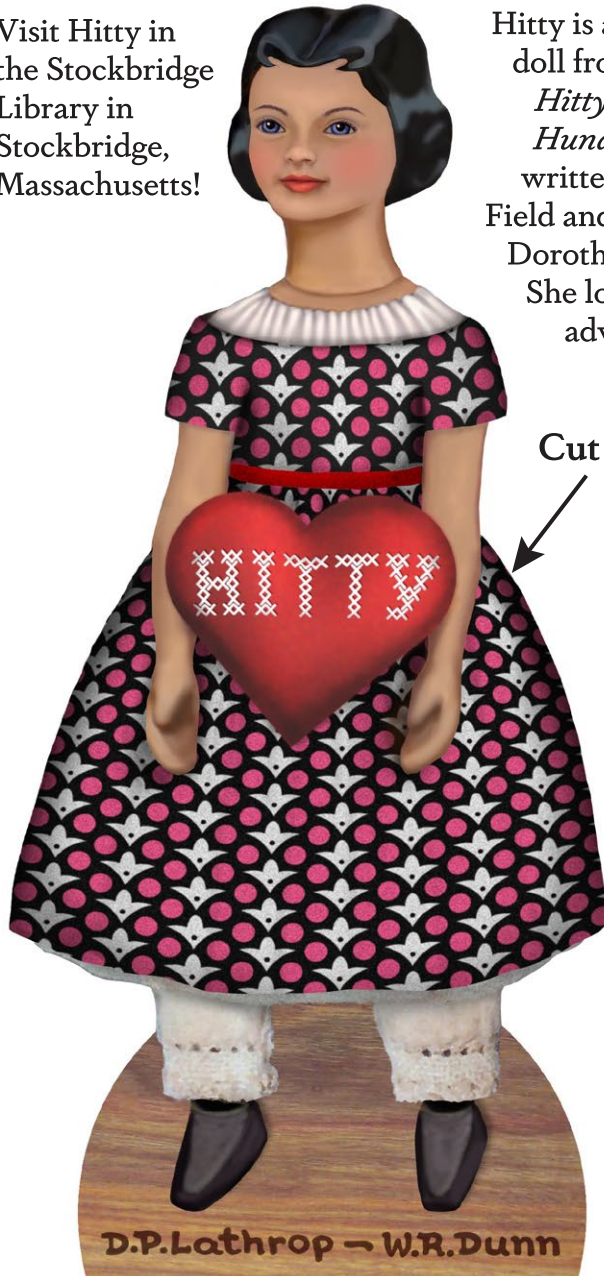

Extra Credit

Directions: Cut out both sides of doll. Touch up the white edges with colored markers. Glue the front and back sides together with rubber cement. Use a small wooden place card holder for a stand.

Visit Hitty in the Stockbridge Library in Stockbridge, Massachusetts!

Hitty is a tiny wooden doll from the book, *Hitty: Her First Hundred Years*, written by Rachel Field and illustrated by Dorothy P. Lathrop. She loves to have adventures.

Cut out doll
